

Your path to success

Get the largest customer reach and customized health care solutions to meet your needs.

Intelligence

Strategy and data analytics to build and enhance market penetration

Delivery

Extensive pathways to reach your patients

Care

Programs and services to support patients and optimize outcomes

Strategic Procurement and Wholesale Distribution

We partner with manufacturers and customers to ensure that more than 55,000 branded, generic and over-the-counter pharmaceutical drugs and products reach pharmacies and their patients. Using electronic order processing, computerized merchandising and asset management tools, we distribute medicine and other products in a safe, efficient and cost-effective way.
